Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received on 18 August 2026 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

Your Request

Please treat this as a request for information under the Freedom of Information Act 2000.

For each of the below, please provide the contact for whoever holds commissioning or referral responsibility (i.e. someone able to discuss placement capacity and funding routes with external providers), rather than clinical case-management staff, where these are different roles.

1. The name, job title, and direct contact details (email and telephone) of the lead commissioner responsible for your Dynamic Support Register.
2. The name, job title, and contact details of the lead contact for your Transforming Care pathway or Learning Disability and Autism (LD&A) commissioning team, in relation to adults aged 18+.
3. The name, job title, and contact details of the lead contact for Continuing Healthcare (CHC) commissioning of complex learning disability/autism placements for adults aged 18+, if this sits with a different team from question 2.
4. Where your organisation distinguishes between complex and non-complex learning disability/autism cases (for example, separate teams or leads for standard placements versus complex/high-acuity placements), please provide contact details for each, clearly indicating which team covers which caseload.

Where a named individual's direct contact details cannot be provided, please provide the relevant team's generic email address and telephone number instead, along with the job title of those who monitor it.

If any of the above sits with a different team, organisation, or Commissioning Support Unit that carries out this function on your behalf, please let me know who I should contact instead.

I would be grateful for a response within the statutory 20 working days. Please let me know if you need any further information to process this request.
