Dear Applicant

**Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)**

Thank you for your request received on 28 November 2025 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

**Your Request**

Under the Freedom of Information Act 2000, I would like to request information regarding the use of clinical insourcing services within Community Diagnostic Centres (CDCs) under your Integrated Care Board. For the financial years 2024/25 and 2025/26 to date, please provide the following:

1. Use of Clinical Insourcing

Does the ICB, or any CDCs within your region, utilise clinical insourcing providers to support diagnostic activity or increase CDC capacity?

2. Provider and Contract Details

If clinical insourcing has been used during this period, please provide:

- a. The names of all insourcing providers engaged.
- b. The specialties or diagnostic modalities delivered through these providers.
- c. Whether each contract was tendered or directly awarded.
- d. The contract start dates and end dates (or current expiry if ongoing).

3. Financial Information

Total spend on clinical insourcing services within CDCs for FY2024/25 and FY2025/26 to date, ideally itemised by specialty or provider if available.

For clarity, clinical insourcing refers to the practice whereby external healthcare providers deliver diagnostic or clinical services within NHS facilities (including CDCs) using in-house equipment and infrastructure, typically to increase capacity or reduce waiting lists.

If possible, I would appreciate the information to be provided in an electronic format such as Excel or CSV.

If this request exceeds the cost limit under Section 12 of the Act, I would be grateful if you could advise how the scope may be refined to remain within the statutory limit.

## Our Response
