

Our 1st year...

On 1 July 2022, we brought eight clinical commissioning groups (CCGs) together to form our new North East and North Cumbria Integrated Care Board (ICB). Take a look at what we have achieved, in partnership with others, across our region in a busy first year.

3,200,000
people to care for

BUDGET **£7B**

3 year plan

Better health and wellbeing for all

4 KEY GOALS

- Longer and healthier lives for all of our communities
- Fairer outcomes for all
- Better health and care services
- Giving children and young people the best start in life

Matched the funding of our 12 councils to support quit smoking projects and programmes

North East North Cumbria Health & Care Partnership

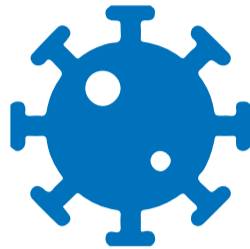

Developed a new region wide partnership

Made plans to invest

£35M

over three years, to improve the health of some of our most deprived communities across the North East and North Cumbria

Delivered our biggest flu and COVID-19 vaccination programmes with 2.3 million jobs

16,000 women treated for uncomplicated urinary tract infections in local pharmacies - resulting in improved access and

47% reduction in antibiotic prescribing

New technology to improve GP telephone systems and triage

Improved access to primary care services:

1.5 million appointments every month and an increase in the number of evening and weekend slots

Continued to work with our Provider Collaborative which includes our 11 NHS foundation trusts and ambulance services

Worked collectively to tackle waiting times and recovery from the pandemic

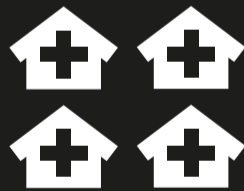

Reduced waits for hospital treatment

Increased diagnostic capacity

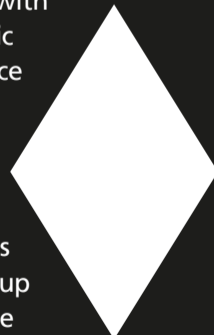

New community diagnostic centres for north Cumbria, Gateshead, and Stockton-on-Tees

We have continued to innovate and do things differently...

A new health and life science pledge

and plan to create a 'northern diamond' of innovation and research in partnership with our Academic Health Science Network (AHSN) - more than 70 organisations have signed up to this pledge

New involvement and engagement strategy ensuring community voices are heard

Launched plan to become England's greenest region by 2030

New learning and improvement community, securing

£250,000

from The Health Foundation to be the best at getting better

Agreed **59min**

limit on ambulance handovers which has saved lives

Worked across the region to improve the transfer of care for patients

£29m additional government funding to start this process of change in health and care organisations across the region

75%

of primary care appointments were face to face against a national target of 70%

Playing our part to get more resources for our region, for health and care and wider economic & social development

Extra support for clinically and socially vulnerable people waiting for surgery, so they have the best chance of a good outcome from their treatment

Thank you to everyone who has supported us in our 1st year. Together we will continue on our journey for longer and healthier lives for all across the North East and North Cumbria
