1. Establishment

The North Tyneside Healthcare and Wellbeing Subcommittee is established as a Subcommittee of the North East and North Cumbria Integrated Care Board (the ICB) Executive Committee in accordance with the ICB's Constitution, Functions and Decisions Map, and Scheme of Reservation and Delegation (SoRD).

2. Terms of Reference:

Definition of terms: The terms of deference are defined by the ICB.

Amendment: The terms of reference may be amended in accordance with the provisions in the ICB's Constitution and SoRD.

Publication: The terms of reference are published in the ICB's Governance Handbook which is accessible here: <https://northeastnorthTyneside.nhs.uk/about-us/corporate-information/governance/>.

3. Purpose

The purpose of the North Tyneside Healthcare and Wellbeing Subcommittee (the Committee) is to discharge, on behalf of the ICB Executive Committee, the statutory commissioning responsibilities of the ICB which have been delegated to Place and to carry out responsibility for executive actions and decisions on behalf of the ICB Executive Committee.

4. Roles and responsibilities

This section describes the Committee's duties, authority, accountability and reporting.

4.1 Duties (on behalf of the ICB - and local authority where agreed)

The Place Committee's duty is to:

- Approve on behalf of the ICB the arrangements for the provision of delegated health services in (North Tyneside Place).
- Operate within agreed financial limits.
- Agree and implement a place plan on behalf of the place partners.
- Working with partners to develop 'Place' capabilities and capacity.

4.2 Develop 'Place' capabilities and capacity

- Agree ideal future state in relation to local priorities and integrated working and delivery.
- Conduct a self-assessment to determine areas of development.
- Co-create a development roadmap.
- Support joint development programmes across all key partners at place.

4.3 Agree a place plan including:

- Plan: Agree the Place plan to meet the health and healthcare needs of the population within (North Tyneside Place), having regard to (and informing) the NENC Integrated Care Strategy, health and wellbeing strategies, joint strategic needs assessment (JSNA) and the joint five year-forward plan

- Resources: allocate resources to deliver the plan in (North Tyneside Place), determining what resources should be available to meet population need and setting principles for how they should be allocated across services and providers (both revenue and capital)
- People: agree implementation in place of people priorities
- Data and digital: Work with partners across the NHS and local authorities to put in place smart digital and data foundations to connect health and care services to put the citizen at the centre of their care.
- Estates and procurement: agree joint work on estates, procurement, supply chain and commercial strategies to maximise value for money in place and support wider goals of development and sustainability (this may be carried out across more than one place, for example the One Public Estate programme).
- Risk: Develop arrangements for risk sharing and /or risk pooling with other organisations (for example pooled budget arrangements under section 75 of the NHS Act 2006), for approval by the ICB executive committee and local authority(s). (Section 75 agreements can be agreed with one or more local authority areas).

4.4 Approve the arrangements for the provision of health, care and wellbeing services in (place) including:

- Contracts: put contracts and agreements in place to secure delivery of its plan by providers (complying with NHS Provider Selection Regime)
- Collaboration: Embed collaboration and service integration as the basis for delivery within the place plan
- Pathway transformation: Convene and support providers (working both at scale and at place) to innovate, learn from best practice and lead major service transformation programmes to achieve agreed outcomes
- Primary care development: Support the development of primary care – including general practice, pharmacy, optometry and dentistry – as the foundation of place-based out-of-hospital care, including investment in primary care networks and their management support, data and digital capabilities, workforce development and estates.

4.4 Propose future governance arrangements including:

- Collective accountability: Arrangements to support collective accountability between partner organisations for place-based health and care system delivery and performance, underpinned by the statutory and contractual accountabilities of individual organisations.
- Operating model: implement an operating structure, which works effectively with the ICB, local authorities and other partners' operating models.
- Assurance:
 - Oversee the implementation of the assurance framework for (North Tyneside Place), including review of quality and performance against ICB and national priorities and targets, reporting outcomes to the ICB.
 - Ensure compliance with delegated functions and provide reports to the ICB on the discharge of delegated functions.

5. Authority

The committee is authorised to:

Investigate	Investigate any activity within its terms of reference.
Seek information	Seek any information it requires within its remit, from any employee or member of the ICB.
Commission	Commission reports required to help fulfil its obligations.
