Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 3 February 2025 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000.

The ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley (which covers the five local authorities of Darlington, Hartlepool, Middlesbrough, Redcar and Cleveland and Stockton-on-Tees).

Please find the information you requested on behalf of the ICB as follows.

Your Request

I am writing to request information on pressure care guidance and procedure under the Freedom of Information Act 2000.

1. Please provide any ICB guidance on pressure care (for the care and prevention of pressure sores, pressure ulcers, or bed sores) issued to administrators and/or hospital staff in the last 24 months.
2. Please provide the number of complaints made to NHS North East and North Cumbria ICB that relate to or mention pressure care (including, but not limited to, pressure sores, pressure ulcers, or bed sores) during the following calendar years: 2023, 2024.
3. Of the above complaints, also specify how many were brought as patient safety issues by healthcare workers or trust administrators, also categorised by year.

If my request is denied in whole or in part, please justify all exemptions by reference to the Act. If there are any problems, or you need further information, please get in touch.

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB on this occasion is not able to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested.

The ICB does not directly provide clinical care therefore guidance and complaints referencing tissue viability issues would relate to provider organisations.

In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI email addresses for acute hospital providers in the region, to follow up your request.
