Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 28 June 2024 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000.

The ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley (which covers the five local authorities of Darlington, Hartlepool, Middlesbrough, Redcar and Cleveland and Stockton-on-Tees).

We have dealt with your request in accordance with your “right to know” under section 1(1) of the Freedom of Information Act 2000 (subsequently referred to as FOIA2000) which entitles you to be provided with information “held” by a public authority unless an appropriate exemption applies.

Your Request

Under the Freedom of Information Act 2000, I am writing to request information about patient safety incidents related to Medical Associate Professionals (MAPs), including Physician Associates and Anaesthesia Associates, within your ICB area.

Please provide the following data for incidents from 1st January 2021 to the present:

- 1) The number of Patient Safety Incident Investigations (or similar terminology, e.g. serious incident reports) related to MAPs within your ICB.
- 2) A breakdown of these investigations/reports by type of incident and severity of harm.
- 3) Anonymised copies of all relevant PSII reports and serious incident reports.
- 4) Copies of any learning documents, summaries of findings, and descriptions of implemented changes or actions taken to improve patient safety based on these incidents.

I appreciate that some information may need to be redacted in accordance with data protection laws. If providing any of the requested information might exceed the statutory cost limits, please advise on how I might modify my request to comply.

Our Response

On this occasion it is not possible to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested. Serious Incident and Patient Safety Incident Investigation reports do not contain that level of detail regarding Medical Associate Professionals.

However, we have determined that the information is held by the acute and mental health hospital NHS foundation trusts (FTs) within the North East and North Cumbria region.

In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI email addresses for those hospitals to make your request.
