1. Establishment

The Quality and Safety Area subcommittee, as established by the Board, is a subcommittee of the Quality and Safety Committee in accordance with the NHS North East and North Cumbria's (hereafter referred to as the ICB) Scheme of Reservation and Delegation (SoRD) and Constitution.

2. Terms of reference:

Definition of terms: The terms of reference are defined by the ICB.

Amendment: The terms of reference may be amended in accordance with the provisions set out in the 'Establishing Subcommittees' standard operating procedure.

Publication: The terms of reference will be published in the ICB's Governance Handbook which is accessible here:

<https://northeastnorthcumbria.nhs.uk/about-us/corporate-information/governance/>

3. Purpose

The Subcommittee has been established to provide the Quality and Safety Committee with assurance that is delivering its functions in a way that delivers high quality safe patient care in commissioned services and secures continuous improvement in the quality of services, against each of the dimensions of quality set out in the 'Shared Commitment to Quality' and enshrined in the Health and Care Act 2022. This includes reducing inequalities in the quality of care.

The Subcommittee exists to scrutinise the robustness of and gain and provide assurance to the Quality and Safety Committee, that there is an effective system of quality governance and internal control that supports it to effectively deliver its strategic objectives and provide sustainable, high-quality care.

The Subcommittee will provide regular assurance updates to the Quality and Safety Committee in relation to activities and items within its remit.

4. Roles and responsibilities

This section describes the sub committee's duties, authority, accountability, and reporting.

4.1 Duties

It is expected that the subcommittee will carry out the following for the geographical area for which the subcommittee is responsible:

Item: 9.2
Appendix: 7

- Be assured that there are robust processes in place for the effective management of quality and safety
- Scrutinise structures in place to support quality, clinical effectiveness, and safety; planning, control and improvement programmes, to be assured that the structures operate effectively, and timely action is taken to address areas of concern. Escalate to the Quality and Safety Committee any significant/material performance issues for action.
- Oversee and monitor delivery of the ICB key statutory requirements in relation to quality; safety and clinical effectiveness
- Escalate quality and safety risks to the Quality and Safety Committee for consideration of inclusion in the risk register
- Oversee and scrutinise the ICB's response to all relevant (as applicable to quality) directives, regulations, national standard, policies, reports, reviews and best practice as issued by the Department of Health and Social Care, NHS England and other regulatory bodies / external agencies (e.g., Care Quality Commission, National Institute for Clinical Excellence) to gain assurance that they are appropriately reviewed and actions are being undertaken, embedded and sustained
- Maintain an overview of changes in the methodology employed by regulators and changes in legislation/regulation and assure the Board that these are disseminated and implemented across all sites
- Oversee and seek assurance on the effective and sustained delivery of the ICB quality improvement programmes
- Ensure that mechanisms are in place to review and monitor the effectiveness of the quality of care delivered by NHS and independent contractors
- Receive assurance, including through the Patient Safety Incident Response Framework, that the ICB identifies lessons learned from all relevant sources, including, serious untoward incidents requiring investigation, never events, safety alerts, complaints and claims and ensures that learning is disseminated and embedded
- Receive assurance that the ICB has effective and transparent mechanisms in place to monitor mortality and associated metrics, and that it learns from

Trusts' Learning From Deaths (LFD) reports (including coronial inquests and LFD reports)

- To be assured that people drawing on services are systematically and effectively involved as equal partners in quality activities
- Scrutinise the robustness of the arrangements for and assure compliance with the ICB's statutory responsibilities for safeguarding adults and children (in conjunction with the NENC Integrated Care System Safeguarding Health Executive Group: Children, Adults and Cared for Children sub committee)
- Scrutinise the robustness of the arrangements for and assure compliance with the ICB's statutory responsibilities for infection prevention and control
- Scrutinise the robustness of the arrangements for and assure compliance with the ICB's statutory responsibilities for equality and diversity as it applies to people drawing on services
- Have oversight of and approve the terms of reference and work programmes for any working groups reporting into the Subcommittee
- Approve arrangements to minimise clinical risk, maximise patient safety and to secure continuous improvement in quality and patient outcomes.

5. Authority

The subcommittee is authorised to:

Investigate	Investigate any activity within its terms of reference.
Seek information	Seek any information it requires within its remit, from any employee or member of the Board.
Commission	<p>Commission reports required to help fulfil its obligations from NECS.</p> <p>Commission reports required to help fulfil its obligations from Audit One or the ICB's external auditors, in consultation with the Executive Director of Finance.</p> <p>Commission other external reports required to help fulfil its obligations, subject to the financial limits of the most senior member of the subcommittee.</p>

The subcommittee is authorised to:

Obtain advice	Obtain independent professional advice and secure the attendance of advisors with relevant expertise to fulfil its functions. In doing so, the sub committee must follow any procedures put in place by the ICB for obtaining professional advice.
Create Groups	Groups may be established by the subcommittee, but they have no formal status. They do not have any delegated authority from the Board. Their decision making is restricted to decisions and limits of individuals as set out in the ICB's financial limits and financial delegations. These may not be aggregated and therefore the limits are those of the most senior member present at any meeting of the group. Groups may be permanent or task and finish groups.

6. Accountability and reporting

The subcommittee is accountable to its parent committee and reports to its parent committee on how it discharges its responsibilities.

Accountabilities	Description
Draft minutes and reports	<p>The secretary formally records the minutes of each meeting.</p> <p>The chair of the subcommittee reports to its parent committee after each meeting and provides a report on assurances received, escalating any concerns, where necessary.</p>
