

NHS Joint Forward Plan 2023/4 – 2028/29

Peter Rooney, ICB Director of Strategy and Planning

**North East North Cumbria
Health & Care Partnership**

NHS Joint Forward Plan 2023/4 – 2028/29.

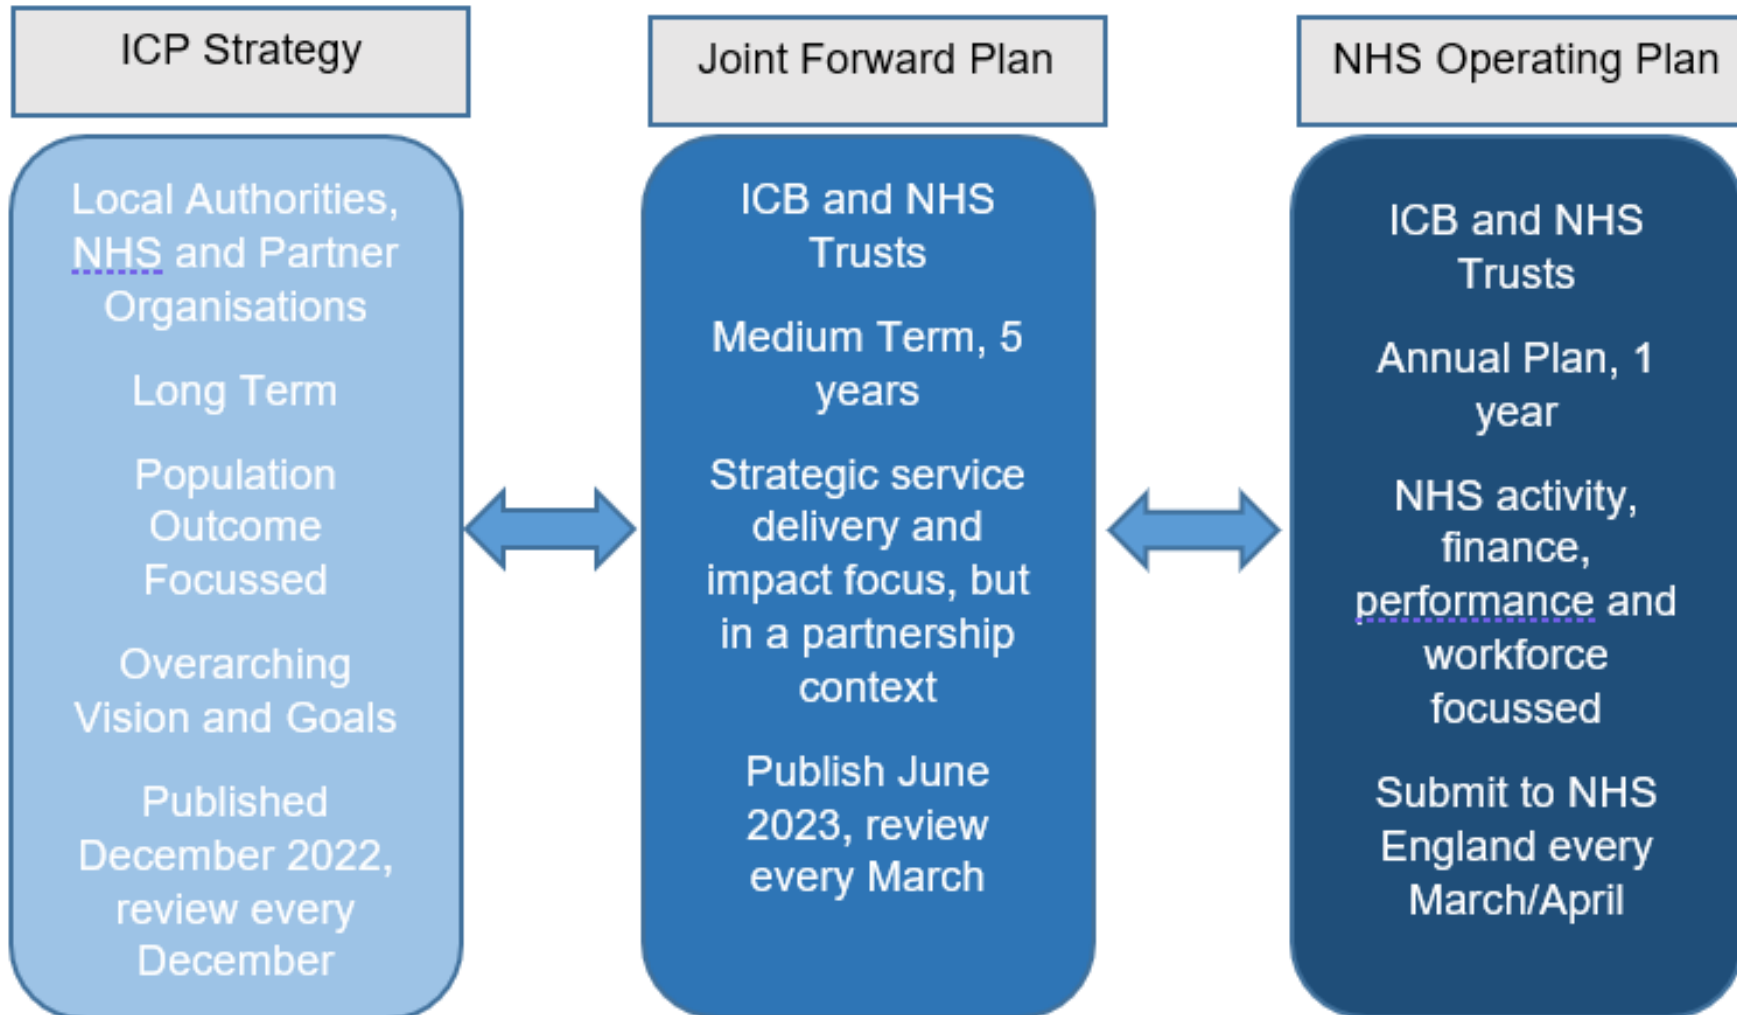

- National requirement for Integrated Care Boards and partner NHS Trusts.
- National Guidance included three key principles: aligned to system ambitions; building on existing plans; delivery focussed.
- How ICBs and NHS Trusts will:
 - arrange and/or provide NHS services to meet their population's physical and mental health need
 - deliver of the NHS Mandate and NHS Long Term Plan in the area
 - will meet the legal requirements for ICBs.

North East and North Cumbria Plan

- Aligned to the ICP Strategy Better Health and Wellbeing for All.
- Overview and explanation of our detailed action plans for each:
 - Goal in the ICP Strategy, e.g. Longer, Healthier Lives
 - Enabler in the ICP Strategy, e.g. Workforce and Digital
 - Service area/theme, e.g. Cancer and Mental Health
 - Local Authority Place.

Timetable and Stakeholder Engagement

- Publish draft in June for stakeholder feedback July – August inclusive.
- NHS Foundation Trusts, Local Authorities, Health and Wellbeing Boards and the Voluntary, Community and Social Enterprise Sector.
- ICP role in ensuring alignment with the ICP Strategy.
- A revised version to be published in September 2023.
- Annual update published each March.
