Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received on 4 August 2026 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

Your Request

Under the Freedom of Information Act 2000, I am writing to request information regarding NHS-funded fertility treatments within the jurisdiction covered by NHS North East and North Cumbria ICB (and its predecessor organizations).

Specifically, I require the total number of funded cycles performed per year, broken down from the year 2000 to the most recent available annual data, for each of the following procedures:

1. In Vitro Fertilisation (IVF)
2. Egg Freezing (Oocyte Cryopreservation)
3. Frozen Embryo Transfer (FET)
4. Intrauterine Insemination (IUI)

To ensure data continuity across historical organizational changes, please provide these annual figures broken down by the most detailed geographic or administrative region possible (for example, by legacy Clinical Commissioning Group [CCG] boundaries or current local authority patches/sub-ICB areas, such as County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and the Tees Valley boroughs).

Please format the data in a clear table or spreadsheet, showing each treatment category with its respective annual totals separated by these localized regions. If data is unavailable for earlier years, please provide the figures for all years that are held within your legacy records.

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB on this occasion is not able to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested. However, we have determined that the information may be held by the acute hospital NHS foundation trusts (FTs) within the North East and North Cumbria region.

In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI contacts for those foundation trusts.
