

# North Cumbria Area ICP Update

## **North Cumbria Place Based Partnership**

The Partnership continues to enhance the Area ICP by further developing workstreams to support the delivery of key themes and priorities agreed. The workstreams have been expanded to include Children and Young People and End of Life/Dying Well.

## **Community Mental Health Transformation**

The Chief Operating Officer and Group Director for North Cumbria Locality from Cumbria Northumberland, Tyne and Wear NHS Foundation Trust, provided an overview of the key service developments across North Cumbria.

## **Westmorland and Furness Joint Local Health and Wellbeing Strategy**

The Director of Public Health for Westmorland and Furness Council presented the draft Local Health and Wellbeing Strategy which had been developed in collaboration from across the system.

## **Planning for Cumberland Health and Care Summit – 3 October 2024**

Consideration was given to the content for this health summit
