Dear Applicant

**Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)**

Thank you for your request received on 1 December 2025 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

**Your Request**

I am writing to make a request for all the information to which I am entitled under the Freedom of Information Act 2000.

Could you please supply me with the following information concerning the number of people with ADHD and emotional dysregulation in your area as of 2025. If 2025 data is not able to be supplied for any of the questions, please supply it for the year 2024.

I would like the above information to be provided to me electronically, preferably in an Excel or Word document. If there are other relevant statistics or links that have not been specified above, please also supply those.

I understand that all data must be anonymised, and I am only requesting summary figures rather than any detailed patient reports.

1. The number of people with ADHD in your area who also have documented emotional dysregulation, mood disorders, anxiety or self-harm / mood-instability issues.
2. Of those with ADHD in your area, how many have comorbid mental health conditions (e.g., anxiety, depression, low self-esteem, mood disorders)? If possible, please provide the number for each comorbid condition separately.

3. How many people with ADHD or suspected ADHD (on the waitlist) in your area are also prescribed anti-anxiety medication
4. How many people with ADHD in your area are currently in therapy, or waiting for therapy, due to emotional regulation difficulties?

If any of this information is already in the public domain, please can you direct me to it, with page references and URLs if necessary.

I understand that you are required to respond to my request within 20 working days after you receive this letter. I would be grateful if you could confirm in writing that you have received this request.
