Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received on 5 August 2026 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

Your Request

Please treat this as a request for information under the Freedom of Information Act 2000.

To remain within the cost limit, I am requesting existing maternity dashboard metrics or standard ICS level reporting data relating to home birth service provision and safety. I am not requesting incident level data.

For each of the past five financial years (or for as many years as your dashboard holds), please provide the following metrics, broken down by year, where they already exist within your ICS dashboard or standard reporting tools:

1. Number of planned home births
2. Number of actual home births
3. Number of transfers from home to hospital relating to home births
4. Number of planned home births cancelled, where this metric is already collected within your ICS dashboard or standard reporting tools. If recorded, please also provide the categorised reasons for cancellation.
5. Number of occasions where home birth services were suspended
6. Recorded reasons for suspension, as held in your dashboard or reporting tools

7. Any home birth related serious incident numbers already included in your ICS dashboard (aggregated only)

If any of the above metrics are not held at ICS level, please confirm this. Please do not extract incident level data – I am requesting only metrics already held in your existing dashboard or reporting systems.

If you are encountering difficulties in complying with the request, please contact me as soon as possible so that we can discuss refinement in line with your Section 16 duty to advise and assist.

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB on this occasion is not able to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested. However, we have determined that the information is held by the acute hospital NHS foundation trusts (FTs) within the North East and North Cumbria region.

In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI contacts for those foundation trusts.
