Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received on 14 July 2026 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

Your Request

I am writing to make a Freedom of Information (FOI) request.

The information I am interested in is the total number of shared care agreement requests, the number of said requests that were accepted, and the number of said shared care agreements that were denied or discontinued (not including those discontinued by the death of the patient the shared care agreement covers).

Ideally, I would like this information to be broken down by trust, by GP practice, and by the condition(s)/diagnoses the shared care agreements covers if possible. Data should cover the whole of England, where data is available and from the current to the beginning of 2025 if possible.

I would prefer this in an electronic format, but other formats would be acceptable if an electronic format is not possible.

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB on this occasion is not able to provide the requested information. In line with your rights under section
