Dear Applicant

**Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)**

Thank you for your request received on 29 December 2025 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

**Your Request**

This is a request for information under the Freedom of Information Act 2000 regarding the local roll out and implementation of the Federated Data Platform (FDP), provided by Palantir Technologies.

Please can you provide me with the following information:

1. Is the ICB already using the FDP?
2. If the ICB isn't already using the FDP, can you please provide me with a specific rollout date if there is one.
3. It has been widely reported that there have been hidden and unbudgeted for costs to implementing the FDP at local and national levels. What is the projected and locally budgeted for cost of the rollout and implementation of the FDP that hasn't already been provided for by NHSE national funding from the initial FDP contract? This might include, but is not limited to, extra training costs, staff costs, consultancy workers, hardware, software, licenses, or other IT related costs.
4. What FDP instances/apps/products are currently in use and what are planning to be rollout out?
5. Please can you release all documents, emails, meeting minutes, attachments and other communications relevant to the FDP rollout within the trust.
6. Has the ICB asked its legal advisor if it's legally required to take up the software?

I would like to receive the information in a PDF format. If you feel that a substantive response to this request is not possible within a reasonable time frame, or the request is too broad, I would be grateful if you could contact me by reply and provide assistance as to how I could refine the request.

## Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB holds some of the information you have requested.

1. NENC ICB is using the FDP. The ICB is an incubator site for the Strategic Commissioner Tool and part of a Pathfinder for the broader tool.
2. Please refer to the response to question 1.
3. There have been no additional costs as any contribution to the incubator or pathfinder work has been from within existing staffing budgets. There have been no software or licence costs for the ICB.
4. Currently, only the Strategic Commissioning Tool is in use.
5. We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB on this occasion is not able to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested. However, we have determined that the information is held by the acute and mental health hospital NHS foundation trusts (FTs) within the North East and North Cumbria region.

In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI contacts for those foundation trusts to make your request.
