Dear

**Freedom of Information Act 2000 - Request for Information – NHS North East & North Cumbria Integrated Care Board (ICB)**

Thank you for your request received by North of England Commissioning Support (NECS) on 01 December 2022 for information held by NHS North East and North Cumbria Integrated Care Board (NENC ICB) under the provisions of the Freedom of Information Act 2000.

For information Clinical Commissioning Groups ceased to exist on 30 June 2022. Services that were previously delivered by the CCG are now being delivered by the successor organisation NHS North East and North Cumbria (ICB). This covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland and Tees Valley.

**Details of Your Request**

I have some questions regarding the prescribing guidelines for Blood glucose monitoring.

1. I was wondering if there will be a joint ICB formulary released in the near future.
2. If so, I was hoping to send over our GlucoRx product portfolio and savings information for formulary inclusion.

**Our Reply**

1. *A single ICB formulary is in development*
2. *Formulary submissions must come from clinicians within the ICB. If you would like to speak to a member of the Medicines Optimisation team then please contact [nencicb-sun.mo@nhs.net](mailto:nencicb-sun.mo@nhs.net)*

In line with the Information Commissioner's directive on the disclosure of information under the Freedom of Information Act 2000 your request will form part of our disclosure log.
