Dear Applicant

**Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)**

Thank you for your request received by North of England Commissioning Support (NECS) on 12 June 2024 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000.

The ICB covers the areas of County Durham, Gateshead, Newcastle, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley (which covers the five local authorities of Darlington, Hartlepool, Middlesbrough, Redcar and Cleveland and Stockton-on-Tees).

Please find the information you requested on behalf of the ICB as follows.

**Your Request**

Please can you answer the following questions and return via email:

1. Is the ICS's stance using 3rd party insourcing to help recover backlogs?
2. If 'no' is the ICS open to using 3rd party insourcing to help recover backlogs?
3. Is there one particular procurement framework used by the ICS to procure insourcing companies?

**Our Response**

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB holds some of the information you have requested.

1. On this occasion it is not possible to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested regarding 3<sup>rd</sup> party insourcing to cover backlogs. In terms of 'recovering backlogs', the ICB works with other partners collaboratively

across the system to manage the waiting lists, but provider trusts themselves make decisions on how they might deliver and the need for insourcing is decided at an individual trust level.

We have determined that the information is held by the primary and secondary care organisations. In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI email addresses for North East and North Cumbria acute and mental health hospitals to support you in making your request.
