Dear Applicant

Freedom of Information Act 2000 – Request for Information – NHS North East and North Cumbria Integrated Care Board (NENC ICB)

Thank you for your request received on 9 June 2026 for information held by NHS North East and North Cumbria Integrated Care Board (the ICB) under the provisions of the Freedom of Information Act 2000. The ICB covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland, and Tees Valley.

Please find the information you requested on behalf of the ICB as follows.

Your Request

I would like to submit a request to find out the number of mistakes AI tools have made across NHS North East and North Cumbria Integrated Care Board's hospitals and treatment centres from 2023-2026 (or your most recent data).

I would like this data to be presented annually in a table. For example: the data for 2023 in one table column, the data for 2024 in another column, 2025, 2026 (if you have it), etc.

Our Response

We can confirm, as per Section 1(1) of the Freedom of Information Act 2000, the ICB on this occasion is not able to provide the requested information. In line with your rights under section 1(1)(a) of the Act to be informed whether information is held, we confirm the ICB does not hold any of the information requested.

NENC ICB does not use any AI for medical purposes; AI is used as a tool to speed things up, i.e. transcribing/document reviews, etc. All AI models must have human oversight in the decision-making process but none of this would be used in clinical decision-making process.

In accordance with our duty under s.16 of the FOIA to provide reasonable advice and assistance to an individual requesting information, we have provided the FOI contacts for acute and mental health foundation trusts (FTs) in the NENC region, who may hold the information you are seeking.
