Freedom of Information Act 2000 - Request for Information – NHS North East & North Cumbria Integrated Care Board (ICB)

Thank you for your request received by North of England Commissioning Support (NECS) on 13 December 2022 for information held by NHS North East and North Cumbria Integrated Care Board (NENC ICB) under the provisions of the Freedom of Information Act 2000.

For information Clinical Commissioning Groups ceased to exist on 30 June 2022. Services that were previously delivered by the CCG are now being delivered by the successor organisation NHS North East and North Cumbria (ICB). This covers the areas of County Durham, Newcastle Gateshead, North Cumbria, North Tyneside, Northumberland, South Tyneside, Sunderland and Tees Valley.

Details of Request

Please find a freedom of information request below for the following ICB organisation:

North East and North Cumbria ICB.

1. Does the ICB commission, provide or manage any or a combination of these type of

care services provided in peoples' homes?

a. A domiciliary care bridging service for hospital patients that are fit to leave hospital but need care services at home - this service would typically be provided for a short period of time until the patient's local authority can provide a more permanent service if needed

- b. Re-enablement services for hospital patients discharged into the community so as to get them fit and healthy to look after themselves
- c. A long-term domiciliary care service
- 2. For any service provided:
 - a. What is the name of the service?
 - b. What is the name of the organisation that provides the service?
 - c. How many individuals are provided the service?*
 - d. How many care staff are employed/contracted to deliver the service?*

* For answers to 2(c) and 2(d), please be specific about the time periods that the answers

relate to.

<u>Response</u>

The ICB does not commission:

- A domiciliary care bridging service for hospital patients that are fit to leave hospital but need care services at home this service would typically be provided for a short period of time until the patient's local authority can provide a more permanent service if needed.
- Re-enablement services for hospital patients discharged into the community so as to get them fit and healthy to look after themselves.
- A long-term domiciliary care service.

However, the Local Authority will have these services within their commissioning.
